Of course, when drafting a document for ... English in disclosure documents, are good news for me. For more than forty years, I've studied the documents that public companies file. Too

A Plain English Handbook - SEC

So what's plain English? First let's say what plain English isn't and destroy some of the myths about it. It's not 'cat sat on the mat' or 'Janet and John' writing. Almost anything from leaflets and letters to legal documents can be written in plain English without being patronising or oversimplified.

how to write in plain English

Plain English is a style of writing that enables the reader to understand the message the first time they read it. It uses short, clear sentences and everyday words without unnecessary jargon. To use plain English, you may need to edit your writing several times over, or even ask someone else to read it for you.
