In the history of how writing systems have evolved over in different human civilizations, more complete writing systems were preceded by proto-writing, systems of ideographic or early mnemonic symbols.

History of writing - Wikipedia

Writing is a medium of human communication that represents language and emotion with signs and symbols. In most languages, writing is a complement to speech or spoken language. Writing is not a language, but a tool used to make languages be read. Within a language system, writing relies on many of the same structures as speech, such as vocabulary, grammar, and semantics, with the added ...
