### **your child measurement do pdf**

Using paper towel rolls, measure how tall your child is. Then measure favorite stuffed animals. Use words like tall/taller and short/shorter as you talk about what you discover. Make it, bake it. Choose a simple recipe or ready-made mix. Read the ingredients list with your child and talk about what you need for measuring: teaspoons, tablespoons, cups. Have your child help you measure each ingredient.

### **Explore Measuring with Your Child**

• If your child is 3 months to 4-years old, using the rectum is the best. If your child is older than 6 months, you can use an ear thermometer (however, rectum is still the best choice). • If your child is older than 4 years old, take their temperature by mouth.
