into your home you will have times when your existing dogs are in their crates and the new dog is loose or on a line in the house. This is the time that you establish your relationship with this new dog. This is done through grooming, walks, play, and obedience training. Establishing a relationship means that you are subtly teaching the dog that you are the boss (or pack leader).

on over 1,000 dogs and repeated the same results over and over again, effectively show- ing that dogs were protected for much longer than three years and most likely for the life of the dog.

## **ARE YOU VACCINATING YOUR DOG TOO MUCH?**

Dogs (and outdoor cats) love getting their paws on every patch of grass they can find, so an adventurous pet refusing to go outside is never a good sign. If youâ€™re wiggling your petâ€™s leash or opening the door only for your pet to run away, then itâ€™s probably time to seek the advice of a professional.
