In human biology, handedness is a better, faster, or more precise performance or individual preference for use of a hand, known as the dominant hand; the less capable or less preferred hand is called the non-dominant hand. Men are somewhat more likely to express a strongly dominant left hand than women. It is estimated that between 70 and 95 percent of the world's population is right-handed.

A custody order is a legal document, handed down by a court, that sets out which parent has custody of a child and on what terms.. A custody agreement (or parenting agreement), is also a legal document setting out the terms of custody. It is signed by both parents to show that they agree to its terms. Usually, an agreementâ€™s terms have been reached by the parents working together, often with ...
