

### **your limited liability company pdf**

A limited liability company (LLC) is the US-specific form of a private limited company. It is a business structure that can combine the pass-through taxation of a partnership or sole proprietorship with the limited liability of a corporation. An LLC is not a corporation in and of itself; it is a legal form of a company that provides limited liability to its owners in many jurisdictions.

Public Records Notice: Any information you submit on your document will be part of the public record and made available for public view on the Division's website.

### **Limited Liability Company - Division of Corporations**

Limited Liability Company (LLC) An LLC is a hybrid business entity that blends elements of partnership and corporate structures. The LLC's main advantage over a partnership is that, like the owners (shareholders) of a civil law corporation, the liability of the owners (members) of an LLC for debts and obligations of the LLC is limited to their financial investment.
