New Zealand is a unitary state rather than a federation—regions are created by the authority of the central government, rather than the central government being created by the authority of the regions. Local government in New Zealand has only the powers conferred upon it by Parliament. These powers have traditionally been distinctly fewer than in some other countries.

Local government in New Zealand - Wikipedia

How does local government affect you? Did you know that the level of government that most affects you daily is much closer to home than the White House, the halls of Congress or even your state capitol building?

How does local government affect you? - Annenberg Classroom
