

your true colors a pdf

True Colors is a metaphor. Each person is a unique blend of the four colors or stylesâ€”a spectrum. There are no bad or good colors. There are wide individual variations within each color spectrum. Each of us has a different and unique personality; however, there are commonalities that we share.

Discovering Our Personality Style Through TRUE COLORS

True Colors is a model of personality identification that is easy to understand, remember, and apply. Essentially the model stems from the work of Isabel Brigs-Myers, Katherine Briggs and David Keirsey. A student of David Keirsey, Don Lowry, developed the True Colors system to facilitate a deeper understanding of peopleâ€™s communication styles.

True Colors is a model of personality identification that

Each color is reflective of your personality. You will identify a primary and secondary color. These are your preferred styles. The colors you do not choose will have some characteristics that are representative of you; however, it is not your preferred style. True Colors is valuable for improving your

Exploring Leadership Styles - True Colors

True Colors Personality Assessment Why Personality Assessment? A personality assessment is completed to yield a description of an individualâ€™s distinct personality traits. In most instances, your personality will influence relationships with your family, friends, and classmates and contribute to your health and well-being.
